

If you • Don't have other Wells Fargo accounts, or
• Have Wells Fargo accounts, but don't currently access them online

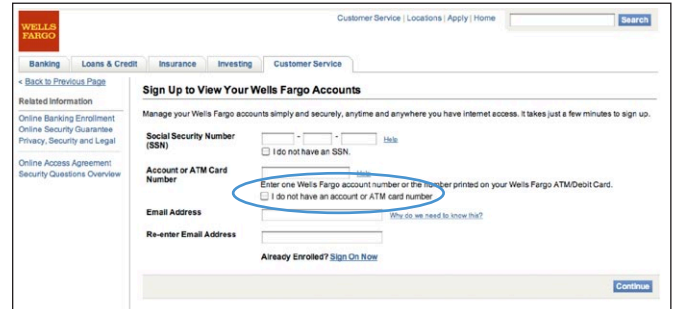

Step 1

Choose **Sign Up** at the top of the page.

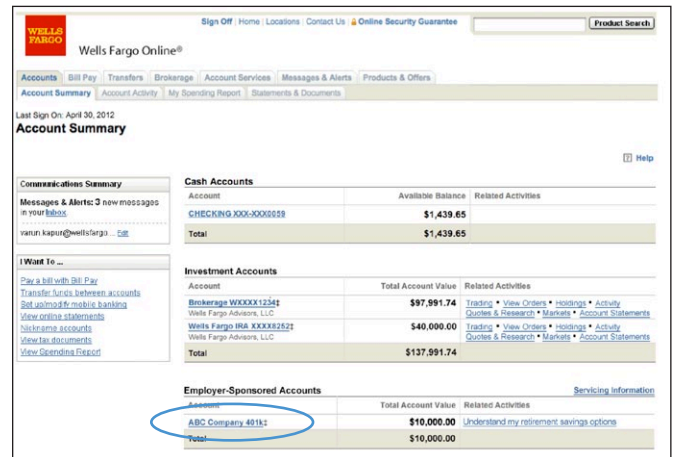

Step 2

Complete your contact information. If you don't have other Wells Fargo accounts, check the box indicating that you do not have an account or ATM card number. Choose **Continue**.

Step 3

Choose your plan name in the **Account Summary**.

Need help?
Call us at 1-800-SAVE-123
(1-800-728-3123).

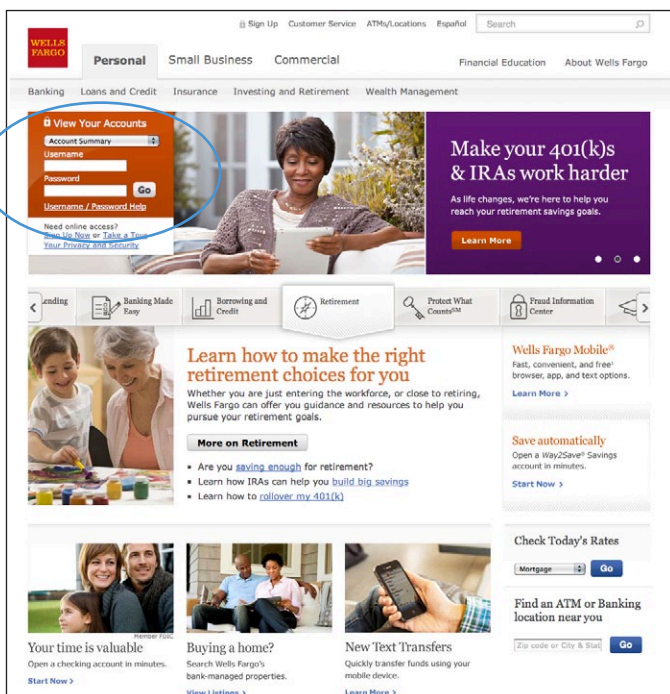

Representatives are available Monday through Friday from 7:00 a.m. to 11:00 p.m. Eastern Time.

Don't automatically see your retirement plan account in your account summary? Once you've signed on, visit the **Account Services** tab, then under **Account Information**, select **Add Accounts**. Your retirement account should be available to add.

If you • Have other Wells Fargo accounts (like a checking or savings account) that you access online

Step 1

Enter your Wells Fargo username and password and select **Go**.

Step 2

Select your employer-sponsored retirement plan to be taken to your retirement account.
