

# Is your retirement plan in shape?

Do you have goals for retirement? Are you in good shape to reach them? Wells Fargo wants you to have a plan and provides you with a way to check your status on the retirement plan dashboard at [wellsfargo.com](http://wellsfargo.com). Use the easy steps below to add in your projected benefit from the CNIC Retirement Plan to see if your plan is in shape!

**Did you know...** People with a plan for reaching their goals saved three times more than those without a plan.\*

## Get your future into shape

Having a plan doesn't require much heavy lifting. It's simply a matter of knowing where you stand right now, and determining your next best step. Here's how you can calculate how your savings is adding up toward your goal:

- Sign on to your retirement account at [wellsfargo.com](http://wellsfargo.com)
- From the Dashboard tab, select **Modify your assets and information**
- Select **Pension Plan** from drop down box and then click **Go** (or, enter any other sources of retirement income you may have, such as an IRA or Roth)
- Enter asset name, annual payment amount,\*\* and age when payment starts
- You can find your annual payment amount on your CNIC Retirement Plan statement. You will need to multiply your monthly benefit by 12 to get the annual payment amount.

## Flex your retirement muscle

If you have a gap and need to save more for retirement, you can easily increase how much you contribute to your CNIC NAF 401(k) Savings Plan online. Simply sign on to your retirement account and choose **Actions & Investments**, then **Payroll Contributions**.
